

Child Find

Programs

Child find is a community-wide effort to provide opportunities for children with disabilities. Parents, educators and members of the medical community take part in the program to locate children who may have a disability.

Parents/Community members who contact Child Find may have concerns about the child's development in the areas of:

- Hearing
- Vision
- Speech/language skills
- Motor skills
- Thinking skills
- Emotional/social skills

Child Find provides developmental screening and, when appropriate, a comprehensive, multi-disciplinary evaluation for children from birth to kindergarten age.

If you live within the Banner County School District and have, or know of a child who may have a disability, contact the Banner County School's Office at 308 436 5262 from 9 am to 4 pm or write to:
